

Welcome to the Eurocentric Wine Imports website. We hope you find it straightforward and functional. A new website is currently being built and will be launched on **November 1**, but for now we hope you can find everything you need. Please let us know if you can't!

Our goal is to supply the best wines we can find at great prices and in perfect condition. We are the exclusive Australian importers for almost all we sell. The wines are chosen with compatibility to food in mind, with the focus on quality, enjoyment and respect for the environment.

Check the menu at left and read the following information to see if that satisfies your inquiry.

### **NEW FEATURE: THE TROPHY ROOM**

We've started listing some of the world's great and rare wines from our own cellars. Think Rousseau Chambertin, DRC, Cheval Blanc, Penfolds Grange. It's a work in progress so check back under the Trophy section of our online store (link in the menu at left) regularly to see what's up for grabs.

You can shop online now and either pay by credit card or email for an invoice and pay by EFT. Orders over \$500 qualify for free freight (you must select this option or it will calculate your freight based on postcode). There is a daily limit of 48 bottles per person, and same-day deliveries are not permitted. Please email if you would like to be referred to your nearest retailer for wines from our range.

You can also record your name and email address at the link at left to receive special offers and pre-arrival deals.

### **Restaurants, bars, retailers**

For trade buyers, there is a credit application in the menu at left that can be downloaded. Please print the PDF, fill it in, advise of any special delivery requirements, scan and email to sales(at)eurocentricwine.com.au.

The trade portfolio is updated monthly but the password stays the same. Phone Neville on 0405 232349 or email sales(at)eurocentricwine.com.au if you don't have it.

If you would like bottle shots or jpegs of winemakers, labels, vineyards etc, please let us know.
